HEALTH GUARANTEE

The cat/kitten is guaranteed to be of sound health upon arrival. It is guaranteed for a period of 72 hours from time of purchase (arrival) if vet-checked within that time. It is recommended that the new cat/kitten be in quarantine during this time. If it is found to be medically deficient with an untreatable or life-threatening problem, it must be reported to the seller immediately. Upon its return, it will be replaced with another kitten/cat of equal value. If no replacement is available at that time, seller will have 6 months to furnish satisfactory replacement. The cat/kitten cannot be returned after the guarantee period has expired and/or if it has been exposed to another cat which has not been currently tested for FeLV and FIV. It is the responsibility of the buyer to provide immediate veterinary care to any cat/kitten showing signs of illness or distress and failure to do so will render any guarantee null and void.

Under no circumstances is a kitten to be destroyed prior to notification by the buyer to the seller. If a cat/kitten dies within the guarantee period, despite medical treatment, compensation will be made ONLY if a veterinarian certifies the cause of death. This cat/kitten is guaranteed against congenital defects for one year. Should the cat die within that time as a direct result of a congenital defect, the cat will be replaced ONLY if an appropriate autopsy is performed by a licensed vet and a vet's certificate is provided as proof of cause of death. A replacement will be made of a cat of comparable quality and value, as available, at the discretion of the breeder. This contract is legally binding to all parties involved. It applies only to the buyer and seller in this transaction and is non-transferable to other parties.
